or call Tony 0418 929 842

This amazing Midbrain Activation Course is perfect for children that are 5-12 years old. Children with a fully-activated Midbrain will gain the ability to read, write and do other activities while blindfolded! Midbrain activation gives your child the ability to transmit and comprehend "brainwaves."

Full Midbrain Activation Course Normal Price \$ 1.100 (Incl GST)

Special Introductory Price
\$550 (incl GST)*

Book & pay online:

www.thecambridge.com.au -> Click on Cambridge Institute

* Must be booked & payed before 8 June 2010
